Edgar **Le Nir-Sadaoui**

Mathematics and Computer Science Student

About me

I am a student in Mathematics and Computer Science at the University of Strasbourg, where I am currently in my first year of the Master's program CSMI. I am passionate about, mathematics, data science and research. I am looking for an internship in data science starting from June 2026.

personal

nationality: French
born : 20th February 2003

Interests

In addition to my studies, I am passionate about athletism, especially middle distance running (1500m to 10km), wich I practice at a competitive level. I also love music, and I learned guitar and music theory for 9 years during my childhood.
